2. The AIAC i-Arbitration Rules applicable to the arbitration shall be those in force at the time of commencement of the arbitration unless otherwise agreed by the Parties.
3. To the extent that there is a conflict between Part I and Part II of the AIAC i-Arbitration Rules, the provisions in Part I shall prevail.

Rule 2

Commencement of Arbitration

1. The Party or Parties initiating arbitration under the AIAC i-Arbitration Rules shall submit a request in writing to commence arbitration (the “**Commencement Request**”). The Commencement Request shall be accompanied by the following:

 - (b) in the case of a domestic arbitration, consist of a sole arbitrator.
4. If the Parties have agreed that a sole arbitrator is to be appointed, the procedure for the appointment, unless the Parties have agreed otherwise, shall be:

7. Where the Parties have agreed that any arbitrator is to be appointed by one or more Parties, or by any authority agreed by the Parties, including where the arbitrators have already been appointed, that agreement shall be treated as an agreement to nominate an arbitrator under the AIAC i-Arbitration Rules and shall be subject to confirmation by the Director at his own discretion.

5. The Director may order suspension of the arbitration until the challenge is resolved.
6. If an arbitrator is challenged by one Party, the other Party may agree to the challenge. The challenged arbitrator may also withdraw from office. In neither case does this imply acceptance of the validity of the grounds for the challenge.

3. Unless otherwise agreed by the Parties, if any hearing, meeting, or deliberation is held elsewhere than at the seat of arbitration, the arbitration shall be deemed to have taken place at the seat of arbitration.

2. A Party in need of urgent interim measures prior to the constitution of the arbitral tribunal may submit a request to appoint an emergency arbitrator to the Director pursuant to Schedule 3.

Rule 9

Joinder of Parties

1. Any Party to an arbitration or any third party (the “**Additional Party**”) may request one or more Additional Parties to be joined as a party to the arbitration (“**Request for Joinder**”), provided that all parties to the arbitration and the Additional Party give their consent in writing to the joinder, or provided that such Additional Party is *prima facie* bound by the arbitration agreement. The Request for Joinder will be determined by the arbitral tribunal or, prior to the constitution of the arbitral tribunal, by the Director.
2. If Request for Joinder is granted, the date on which the complete Request for Joinder is received by the arbitral tribunal or, prior to the constitution of the arbitral tribunal, by the Director, shall be deemed to be the date of the commencement of the arbitration in respect of the Additional Party.

- 5. In deciding whether to grant, in whole or in part, the Request for Joinder, the arbitral tribunal shall consult all Parties and any Additional Party, and shall have regard to any relevant circumstances.
- 6. If the Director receives the Request for Joinder prior to the constitution of the arbitral tribunal, the Director shall decide whether to grant, in whole or in part, the Request for Joinder. In deciding whether to grant the Request for Joinder, the Director shall consult all Parties and any Additional Party, and shall have regard to any relevant circumstances.
- 7. Notwithstanding a decision of the Director pursuant to Rule 9(6), the arbitral tribunal may decide on a Request for Joinder, either on its own initiative or upon the application of any party or Additional Party pursuant to Rule 9(1).
- 8. If the Additional Party is joined to the arbitration before the date on which the arbitral tribunal is constituted, the Director shall appoint the arbitral tribunal and may release any arbitrators already appointed. In these circumstances, all Parties shall be deemed to have waived their right to nominate an arbitrator.

9. The Parties irrevocably waive their rights to any form of appeal, review or recourse to any court or other judicial authority, on the basis of any decision to join or not to join an Additional Party to the arbitration, to the validity and/or enforcement of any award made by the arbitral tribunal, insofar as such waiver can validly be made.

Rule 10

1. Upon the request of any Party, or, if the Director deems it appropriate, the Director may consolidate two or more arbitrations into one arbitration, if:–

- 3. When the arbitrations are consolidated, they shall be consolidated into the arbitration that commenced first, unless otherwise agreed by the Parties.
- 4. Within 15 days of being notified of a decision by the Director to consolidate two or more arbitrations, all Parties may agree on the arbitrators to be appointed, if any, to the consolidated arbitration and/or the process of such appointment. Failing such agreement, any Party may request the Director to appoint the arbitral tribunal, in which case, the Director may release any arbitrators appointed prior to the consolidation decision. In these circumstances, all Parties shall be deemed to have waived their right to nominate an arbitrator.
- 5. The Parties irrevocably waive their rights to any form of appeal, review or recourse to any court or other judicial authority, on the basis of any decision to consolidate or not to consolidate arbitrations, to the validity and/or enforcement of any award made by the arbitral tribunal, insofar as such waiver can validly be made.

Rule 11**Procedure for Reference to Shariah Advisory Council or Shariah Expert**

1. Whenever the arbitral tribunal has to:
 - (a) form an opinion on a point related to Shariah principles; and
 - (b) decide on a dispute arising from the Shariah aspect of the contract;

the arbitral tribunal may refer the matter to the relevant Council or Shariah expert for its ruling.
2. For the purposes of Rule 11(1) above, the relevant Council or Shariah expert shall be:
 - (a) the Shariah Council under whose purview the Shariah aspect to be decided falls, where there is one; or

Where the Parties fail to agree to a Shariah Council or expert, the provisions relating to experts appointed by the arbitral tribunal under Article 29 shall apply.
3. 4. If a reference to the relevant Council or Shariah expert has been made, the arbitral tribunal shall then adjourn the arbitration proceedings until the ruling has been given by the relevant Council or Shariah expert, as the case may be, or if there are any other areas of dispute which are independent of the said ruling, shall proceed to deliberate on such areas which are independent of the said ruling.
5. The relevant Council or Shariah expert, as the case may be, shall then deliberate and make its ruling on the issue or question so submitted.
6. The relevant Council or Shariah expert shall deliver its ruling within the period of 60 days from the date the reference is made.
7. Where the relevant Council or Shariah expert fails to deliver its ruling within 60 days, the arbitral tribunal may proceed to determine the dispute and give its award based on the submissions it has before it. The validity of an award given pursuant to this Rule shall not be affected in any way by the unavailability of the relevant Council or Shariah expert's ruling.
8. For avoidance of doubt, the ruling of the relevant Council or the Shariah expert may only relate to the issue or question so submitted by the arbitral tribunal and the relevant Council or the Shariah expert shall not have any jurisdiction in making discovery of facts or in applying the ruling or formulating any decision relating to any fact of the matter which is solely for the arbitral tribunal to determine.

Rule 12

Facilities

The Director shall, at the request of the arbitral tribunal or either Party, make available or arrange for such facilities and assistance for the conduct of the arbitral proceedings as may be required, including suitable accommodation for sittings of the arbitral tribunal, secretarial assistance, transcription services, video or tele conferencing and interpretation facilities. The costs of such additional facilities shall be borne in equal shares by the Parties unless otherwise agreed by the Parties.

Rule 13

Technical Review and Awards

1. Following the final oral or written submissions, the arbitral tribunal shall declare the proceedings closed. The arbitral tribunal's declaration and the date on which the proceedings are closed shall be communicated in writing to the Parties and to the Director. After this date, the Parties may not submit any further evidence or make any further submission with respect to the matters to be decided in the award.
2. The arbitral tribunal shall, before signing the award, submit its draft of the final award (the "**Draft Final Award**"), to the Director within three months for a technical review. The time limit shall start to run from the date when the arbitral tribunal declares the proceedings closed pursuant to Rule 13(1).

3. The time limit may be extended by the arbitral tribunal with the consent of the Parties and upon consultation with the Director. The Director may further extend the time limit in the absence of consent between the Parties if deemed necessary.
4. The Director may, as soon as practicable and without affecting the arbitral tribunal's liberty of decision, draw the arbitral tribunal's attention to any perceived irregularity as to the form of the award and any errors of calculation.
5. If there are no perceived irregularities pursuant to Rule 13(4), the Director shall notify the arbitral tribunal in writing that the technical review has been completed.
6. If there are perceived irregularities pursuant to Rule 13(4), the arbitral tribunal shall resubmit the Draft Final Award to the Director within 10 days from the date on which the arbitral tribunal is notified of such irregularities. The time limit for the arbitral tribunal to consider any irregularities under Rule 13(4) may be extended by the Director. Upon completion of the technical review, the Director shall notify the arbitral tribunal in writing of the completion of the technical review.
7. The arbitral tribunal shall deliver sufficient copies of the award to the Director. The award shall only be released to the Parties by the Director upon full settlement of the costs of arbitration.
8. The Director shall notify the Parties of its receipt of the award from the arbitral tribunal. The award shall be deemed to have been received by the Parties upon collection by hand by an authorised representative or upon delivery by registered post.

9. If the Parties reach a settlement after the arbitration has commenced, the arbitral tribunal shall, if so requested by the Parties, record the settlement in the form of an award made by the consent of the Parties. If the Parties do not require a consent award, the Parties shall inform the Director that a settlement has been reached. Notwithstanding the settlement reached, the arbitration shall only be deemed concluded and the arbitral tribunal discharged upon full settlement of the costs of arbitration.
10. By agreeing to arbitration under the AIAC i-Arbitration Rules, the Parties undertake to carry out the award immediately and without delay, and they also irrevocably waive their rights to any form of appeal, review or recourse to any court or other judicial authority insofar as such waiver may be validly made, and the Parties further agree that an award shall be final and binding on the Parties from the date it is made.

Rule 14

Costs

1. The term “costs” as specified in Article 40 shall also include:
 - (a) expenses reasonably incurred by the AIAC in connection with the arbitration, the administrative costs of the AIAC as well as the cost of the facilities made available by the AIAC under Rule 12; and
 - (b) Expenses reasonably incurred by the arbitral tribunal in connection with the reference to a relevant Council or Shariah expert under Rule 11.

2. Unless otherwise agreed by the Parties and the arbitral tribunal pursuant to Rule 14(4), the fees of the arbitral tribunal shall be fixed by the Director in accordance with Schedule 1.
3. Unless otherwise agreed upon by Parties in writing, Schedule 1(A) shall apply to international arbitrations (USD scale) and Schedule 1(B) shall apply to domestic arbitrations (RM scale).
4. Notwithstanding the above, all Parties and arbitral tribunal are at liberty to agree on the fees and expenses of the arbitral tribunal within the period of time of 30 days from the appointment of the arbitral tribunal (the “**Fee Agreement**”). The arbitral tribunal shall inform the Director that the Fee Agreement has been executed. If the Fee Agreement is executed after the 30 day period has expired, the Fee Agreement shall be subject to approval by the Director.
5. The AIAC administrative fees shall be fixed by the Director in accordance with Schedule 1. Unless otherwise agreed by the Parties, Schedule 1(A) shall apply to international arbitrations and Schedule 1(B) shall apply to domestic arbitrations.
6. The costs of arbitration may, in exceptional, unusual or unforeseen circumstances, be adjusted from time to time at the discretion of the Director.
7. The arbitrator’s fees and the AIAC administrative fees under Schedule 1 are determined based on the amount in dispute. For the purpose of calculating the amount in dispute, the value of any counterclaim and/or set-off will be taken into account.

8. Where a claim or counterclaim does not state a monetary amount, an appropriate value for the claim or counterclaim shall be settled by the Director in consultation with the arbitral tribunal and the Parties for the purpose of computing the arbitrator's fees and the administrative fees.
9. The arbitral tribunal may determine the proportion of costs to be borne by the Parties.

Rule 15

Deposits

In lieu of the provisions of Article 43, the following provisions shall apply:

1. After the arbitration has commenced in accordance with Rule 2, the Director shall fix a provisional advance deposit in an amount intended to cover the costs of the arbitration. Any such provisional advance deposit shall be paid by the Parties in equal shares and will be considered as a partial payment by the Parties of any deposits of costs fixed by the Director under Rule 15.
2. Such provisional advance deposit shall be payable within 21 days upon receiving the request from the AIAC.
3. In the event that any of the Parties fails to pay such deposit, the Director shall give the other Party an opportunity to make the required payment within a specified period of time. The arbitral tribunal shall not proceed with the arbitral proceedings until such provisional advance deposit is paid in full.

4. Upon fixing of the fees of the arbitral tribunal and administrative costs of arbitration, the Director shall prepare an estimate of the fees and expenses of the arbitral tribunal and the administrative costs of the arbitration which the Parties shall bear in equal shares. Within 21 days of written notification by the AIAC of such estimate, each Party shall deposit its share of the estimate with the AIAC.
5. During the course of the arbitral proceedings, the AIAC may request further deposits from the Parties which shall be payable within 21 days upon receiving the request from the AIAC.
6. Notwithstanding Rule 15(4), where counterclaims are submitted by the Respondent, the Director may fix separate advance deposits on costs for the claims and counterclaims. When the Director has fixed separate advance deposits on costs, each of the Parties shall pay the advance deposit corresponding to its claims.
7. If the required deposits are not paid in full, the Director shall give the other Party an opportunity to make the required payment within a specified period of time. If such payment is not made, the arbitral tribunal may, after consultation with the Director, order the suspension or termination of the arbitral proceedings or any part thereof.
8. Notwithstanding the above, the Director shall have the discretion to determine the proportion of deposits required to be paid by the Parties.

9. The AIAC may apply the deposits towards the administrative fees, fees of the arbitral tribunal and the arbitral tribunal's out-of-pocket and per diem expenses in such a manner and at such times as the Director deems appropriate.
10. After the award has been made, the AIAC shall render an accounting of the deposits received to the Parties and return any unexpended balance to the Parties based on the Parties' respective contributions.

Rule 16

Mediation to Arbitration

If the Parties have referred their dispute to mediation under the AIAC Mediation Rules and they have failed to reach a settlement and/or the mediation has been terminated and thereafter decided to proceed to arbitration under the AIAC i-Arbitration Rules, then half of the administrative fees paid to the AIAC for the mediation shall be credited towards the AIAC administrative fees in relation to the arbitration.

Rule 17

Confidentiality

1. The arbitral tribunal, the Parties, all experts, all witnesses and the AIAC shall keep confidential all matters relating to the arbitral proceedings, except where disclosure is necessary for implementation and enforcement of the award or to the extent that disclosure may be required of a Party by a legal duty, to protect or pursue a legal right or to challenge an award in bona fide legal proceedings before a court or other judicial authority.

2. In this Rule, “matters relating to the arbitral proceedings” means the existence of the proceedings, and the pleadings, evidence and other materials in the arbitration proceedings and all other documents produced by another Party in the proceedings or the award arising from the proceedings, but excludes any matter that is otherwise in the public domain.

Rule 18

No Liability

Neither the AIAC nor the arbitral tribunal shall be liable for any act or omission related to the conduct of the arbitral proceedings.

Rule 19

Non-reliances

The Parties and the arbitral tribunal agree that statements or comments whether written or oral made in the course of the arbitral proceedings shall not be relied upon to institute or commence or maintain any action for defamation, libel, slander or any other complaint.

Part II

UNCITRAL ARBITRATION RULES

(As revised in 2013)

Section I

INTRODUCTORY RULES

Article 1

Scope of Application*

1. Where parties have agreed that disputes between them in respect of a defined legal relationship, whether contractual or not, shall be referred to arbitration under the UNCITRAL Arbitration Rules, then such disputes shall be settled in accordance with these Rules subject to such modification as the parties may agree.
2. The parties to an arbitration agreement concluded after 15 August 2010 shall be presumed to have referred to the Rules in effect on the date of commencement of the arbitration, unless the parties have agreed to apply a particular version of the Rules. That presumption does not apply where the arbitration agreement has been concluded by accepting after 15 August 2010 an offer made before that date.
3. These Rules shall govern the arbitration except that where any of these Rules is in conflict with a provision of the law applicable to the arbitration from which the parties cannot derogate, that provision shall prevail.
4. For investor-State arbitration initiated pursuant to a treaty providing for the protection of investments or investors, these Rules include the UNCITRAL Rules on Transparency in Treaty-based Investor-State Arbitration ("Rules on Transparency"), subject to article 1 of the Rules on Transparency.

* A model arbitration clause for contracts can be found in the annex to the Rules.

Article 2

Notice and Calculation of Periods of Time

1. A notice, including a notification, communication or proposal, may be transmitted by any means of communication that provides or allows for a record of its transmission.
2. If an address has been designated by a party specifically for this purpose or authorised by the arbitral tribunal, any notice shall be delivered to that party at that address, and if so delivered shall be deemed to have been received. Delivery by electronic means such as facsimile or email may only be made to an address so designated or authorised.
3. In the absence of such designation or authorisation, a notice is:
 - (a) Received if it is physically delivered to the addressee; or
 - (b) Deemed to have been received if it is delivered at the place of business, habitual residence or mailing address of the addressee.
4. If, after reasonable efforts, delivery cannot be effected in accordance with paragraphs 2 or 3, a notice is deemed to have been received if it is sent to the addressee's last known place of business, habitual residence or mailing address by registered letter or any other means that provides a record of delivery or of attempted delivery.
5. A notice shall be deemed to have been received on the day it is delivered in accordance with paragraphs 2, 3 or 4, or attempted to be delivered in accordance with

paragraph 4. A notice transmitted by electronic means is deemed to have been received on the day it is sent, except that a notice of arbitration so transmitted is only deemed to have been received on the day when it reaches the addressee's electronic address.

6. For the purpose of calculating a period of time under these Rules, such period shall begin to run on the day following the day when a notice is received. If the last day of such period is an official holiday or a non-business day at the residence or place of business of the addressee, the period is extended until the first business day which follows. Official holidays or non business days occurring during the running of the period of time are included in calculating the period.

Article 3

Notice of Arbitration

1. The party or parties initiating recourse to arbitration (hereinafter called the "claimant") shall communicate to the other party or parties (hereinafter called the "respondent") a notice of arbitration.
2. Arbitral proceedings shall be deemed to commence on the date on which the notice of arbitration is received by the respondent.
3. The notice of arbitration shall include the following:
 - (a) A demand that the dispute be referred to arbitration;
 - (b) The names and contact details of the parties;

- (c) Identification of the arbitration agreement that is invoked;
 - (d) Identification of any contract or other legal instrument out of or in relation to which the dispute arises or, in the absence of such contract or instrument, a brief description of the relevant relationship;
 - (e) A brief description of the claim and an indication of the amount involved, if any;
 - (f) The relief or remedy sought;
 - (g) A proposal as to the number of arbitrators, language and place of arbitration, if the parties have not previously agreed thereon.
4. The notice of arbitration may also include:
- (a) A proposal for the designation of an appointing authority referred to in article 6, paragraph 1;
 - (b) A proposal for the appointment of a sole arbitrator referred to in article 8, paragraph 1;
 - (c) Notification of the appointment of an arbitrator referred to in articles 9 or 10.
5. The constitution of the arbitral tribunal shall not be hindered by any controversy with respect to the sufficiency of the notice of arbitration, which shall be finally resolved by the arbitral tribunal.

Article 4

Response to the Notice of Arbitration

1. Within 30 days of the receipt of the notice of arbitration, the respondent shall communicate to the claimant a response to the notice of arbitration, which shall include:
 - (a) The name and contact details of each respondent;
 - (b) A response to the information set forth in the notice of arbitration, pursuant to article 3, paragraphs 3 (c) to (g).
2. The response to the notice of arbitration may also include:
 - (a) Any plea that an arbitral tribunal to be constituted under these Rules lacks jurisdiction;
 - (b) A proposal for the designation of an appointing authority referred to in article 6, paragraph 1;
 - (c) A proposal for the appointment of a sole arbitrator referred to in article 8, paragraph 1;
 - (d) Notification of the appointment of an arbitrator referred to in articles 9 or 10;
 - (e) A brief description of counterclaims or claims for the purpose of a set-off, if any, including where relevant, an indication of the amounts involved, and the relief or remedy sought;

- (f) A notice of arbitration in accordance with article 3 in case the respondent formulates a claim against a party to the arbitration agreement other than the claimant.
- 3. The constitution of the arbitral tribunal shall not be hindered by any controversy with respect to the respondent's failure to communicate a response to the notice of arbitration, or an incomplete or late response to the notice of arbitration, which shall be finally resolved by the arbitral tribunal.

Article 5

Representation and Assistance

Each party may be represented or assisted by persons chosen by it. The names and addresses of such persons must be communicated to all parties and to the arbitral tribunal. Such communication must specify whether the appointment is being made for purposes of representation or assistance. Where a person is to act as a representative of a party, the arbitral tribunal, on its own initiative or at the request of any party, may at any time require proof of authority granted to the representative in such a form as the arbitral tribunal may determine.

Article 6

Designating and Appointing Authorities

1. Unless the parties have already agreed on the choice of an appointing authority, a party may at any time propose the name or names of one or more institutions or persons, including the Secretary-General of the Permanent Court of Arbitration at The Hague (hereinafter called the “PCA”), one of whom would serve as appointing authority.
2. If all parties have not agreed on the choice of an appointing authority within 30 days after a proposal made in accordance with paragraph 1 has been received by all other parties, any party may request the Secretary-General of the PCA to designate the appointing authority.
3. Where these Rules provide for a period of time within which a party must refer a matter to an appointing authority and no appointing authority has been agreed on or designated, the period is suspended from the date on which a party initiates the procedure for agreeing on or designating an appointing authority until the date of such agreement or designation.
4. Except as referred to in article 41, paragraph 4, if the appointing authority refuses to act, or if it fails to appoint an arbitrator within 30 days after it receives a party’s request to do so, fails to act within any other period provided by these Rules, or fails to decide on a challenge to an arbitrator within a reasonable time after receiving a party’s request to do so, any party may request the Secretary-General of the PCA to designate a substitute appointing authority.

5. In exercising their functions under these Rules, the appointing authority and the Secretary-General of the PCA may require from any party and the arbitrators the information they deem necessary and they shall give the parties and, where appropriate, the arbitrators, an opportunity to present their views in any manner they consider appropriate. All such communications to and from the appointing authority and the Secretary-General of the PCA shall also be provided by the sender to all other parties.
6. When the appointing authority is requested to appoint an arbitrator pursuant to articles 8, 9, 10 or 14, the party making the request shall send to the appointing authority copies of the notice of arbitration and, if it exists, any response to the notice of arbitration.
7. The appointing authority shall have regard to such considerations as are likely to secure the appointment of an independent and impartial arbitrator and shall take into account the advisability of appointing an arbitrator of a nationality other than the nationalities of the parties.

Section II

COMPOSITION OF THE ARBITRAL TRIBUNAL

Article 7

Number of Arbitrators

1. If the parties have not previously agreed on the number of arbitrators, and if within 30 days after the receipt by the respondent of the notice of arbitration the parties have not agreed that there shall be only one arbitrator, three arbitrators shall be appointed.
2. Notwithstanding paragraph 1, if no other parties have responded to a party's proposal to appoint a sole arbitrator within the time limit provided for in paragraph 1 and the party or parties concerned have failed to appoint a second arbitrator in accordance with articles 9 or 10, the appointing authority may, at the request of a party, appoint a sole arbitrator pursuant to the procedure provided for in article 8, paragraph 2 if it determines that, in view of the circumstances of the case, this is more appropriate.

Appointment of Arbitrators

(Articles 8 to 10)

Article 8

1. If the parties have agreed that a sole arbitrator is to be appointed and if within 30 days after receipt by all other parties of a proposal for the appointment of a sole arbitrator the parties have not reached agreement thereon, a sole arbitrator shall, at the request of a party, be appointed by the appointing authority.

2. The appointing authority shall appoint the sole arbitrator as promptly as possible. In making the appointment, the appointing authority shall use the following list-procedure, unless the parties agree that the list-procedure shall not be used or unless the appointing authority determines in its discretion that the use of the list-procedure is not appropriate for the case:
 - (a) The appointing authority shall communicate to each of the parties an identical list containing at least three names;
 - (b) Within 15 days after the receipt of this list, each party may return the list to the appointing authority after having deleted the name or names to which it objects and numbered the remaining names on the list in the order of its preference;
 - (c) After the expiration of the above period of time the appointing authority shall appoint the sole arbitrator from among the names approved on the lists returned to it and in accordance with the order of preference indicated by the parties;
 - (d) If for any reason the appointment cannot be made according to this procedure, the appointing authority may exercise its discretion in appointing the sole arbitrator.

Article 9

1. If three arbitrators are to be appointed, each party shall appoint one arbitrator. The two arbitrators thus appointed shall choose the third arbitrator who will act as the presiding arbitrator of the arbitral tribunal.

2. If within 30 days after the receipt of a party's notification of the appointment of an arbitrator the other party has not notified the first party of the arbitrator it has appointed, the first party may request the appointing authority to appoint the second arbitrator.
3. If within 30 days after the appointment of the second arbitrator the two arbitrators have not agreed on the choice of the presiding arbitrator, the presiding arbitrator shall be appointed by the appointing authority in the same way as a sole arbitrator would be appointed under article 8.

Article 10

1. For the purposes of article 9, paragraph 1, where three arbitrators are to be appointed and there are multiple parties as claimant or as respondent, unless the parties have agreed to another method of appointment of arbitrators, the multiple parties jointly, whether as claimant or as respondent, shall appoint an arbitrator.
2. If the parties have agreed that the arbitral tribunal is to be composed of a number of arbitrators other than one or three, the arbitrators shall be appointed according to the method agreed upon by the parties.
3. In the event of any failure to constitute the arbitral tribunal under these Rules, the appointing authority shall, at the request of any party, constitute the arbitral tribunal and, in doing so, may revoke any appointment already made and appoint or reappoint each of the arbitrators and designate one of them as the presiding arbitrator.

Disclosures by and Challenge of Arbitrators (Articles 11 to 13)**

Article 11

When a person is approached in connection with his or her possible appointment as an arbitrator, he or she shall disclose any circumstances likely to give rise to justifiable doubts as to his or her impartiality or independence. An arbitrator, from the time of his or her appointment and throughout the arbitral proceedings, shall without delay disclose any such circumstances to the parties and the other arbitrators unless they have already been informed by him or her of these circumstances.

****** Model statements of independence pursuant to article 11 can be found in the annex to the Rules.

Article 12

1. Any arbitrator may be challenged if circumstances exist that give rise to justifiable doubts as to the arbitrator's impartiality or independence.
2. A party may challenge the arbitrator appointed by it only for reasons of which it becomes aware after the appointment has been made.
3. In the event that an arbitrator fails to act or in the event of the de jure or de facto impossibility of his or her performing his or her functions, the procedure in respect of the challenge of an arbitrator as provided in article 13 shall apply.

Article 13

1. A party that intends to challenge an arbitrator shall send notice of its challenge within 15 days after it has been notified of the appointment of the challenged arbitrator, or within 15 days after the circumstances mentioned in articles 11 and 12 became known to that party.
2. The notice of challenge shall be communicated to all other parties, to the arbitrator who is challenged and to the other arbitrators. The notice of challenge shall state the reasons for the challenge.
3. When an arbitrator has been challenged by a party, all parties may agree to the challenge. The arbitrator may also, after the challenge, withdraw from his or her office. In neither case does this imply acceptance of the validity of the grounds for the challenge.
4. If, within 15 days from the date of the notice of challenge, all parties do not agree to the challenge or the challenged arbitrator does not withdraw, the party making the challenge may elect to pursue it. In that case, within 30 days from the date of the notice of challenge, it shall seek a decision on the challenge by the appointing authority.

Article 14

Replacement of An Arbitrator

1. Subject to paragraph (2), in any event where an arbitrator has to be replaced during the course of the arbitral proceedings, a substitute arbitrator shall be appointed or chosen pursuant to the procedure provided for in articles 8 to 11 that was applicable to the appointment or choice of the arbitrator being

replaced. This procedure shall apply even if during the process of appointing the arbitrator to be replaced, a party had failed to exercise its right to appoint or to participate in the appointment.

2. If, at the request of a party, the appointing authority determines that, in view of the exceptional circumstances of the case, it would be justified for a party to be deprived of its right to appoint a substitute arbitrator, the appointing authority may, after giving an opportunity to the parties and the remaining arbitrators to express their views: (a) appoint the substitute arbitrator; or (b) after the closure of the hearings, authorise the other arbitrators to proceed with the arbitration and make any decision or award.

Article 15

Repetition of Hearings in the Event of the Replacement of An Arbitrator

If an arbitrator is replaced, the proceedings shall resume at the stage where the arbitrator who was replaced ceased to perform his or her functions, unless the arbitral tribunal decides otherwise.

Article 16

Exclusion of Liability

Save for intentional wrongdoing, the parties waive, to the fullest extent permitted under the applicable law, any claim against the arbitrators, the appointing authority and any person appointed by the arbitral tribunal based on any act or omission in connection with the arbitration.

Section III

ARBITRAL PROCEEDINGS

Article 17

General Provisions

1. Subject to these Rules, the arbitral tribunal may conduct the arbitration in such manner as it considers appropriate, provided that the parties are treated with equality and that at an appropriate stage of the proceedings each party is given a reasonable opportunity of presenting its case. The arbitral tribunal, in exercising its discretion, shall conduct the proceedings so as to avoid unnecessary delay and expense and to provide a fair and efficient process for resolving the parties' dispute.
2. As soon as practicable after its constitution and after inviting the parties to express their views, the arbitral tribunal shall establish the provisional timetable of the arbitration. The arbitral tribunal may, at any time, after inviting the parties to express their views, extend or abridge any period of time prescribed under these Rules or agreed by the parties.
3. If at an appropriate stage of the proceedings any party so requests, the arbitral tribunal shall hold hearings for the presentation of evidence by witnesses, including expert witnesses, or for oral argument. In the absence of such a request, the arbitral tribunal shall decide whether to hold such hearings or whether the proceedings shall be conducted on the basis of documents and other materials.

4. All communications to the arbitral tribunal by one party shall be communicated by that party to all other parties. Such communications shall be made at the same time, except as otherwise permitted by the arbitral tribunal if it may do so under applicable law.
5. The arbitral tribunal may, at the request of any party, allow one or more third persons to be joined in the arbitration as a party provided such person is a party to the arbitration agreement, unless the arbitral tribunal finds, after giving all parties, including the person or persons to be joined, the opportunity to be heard, that joinder shall not be permitted because of prejudice to any of those parties. The arbitral tribunal may make a single award or several awards in respect of all parties so involved in the arbitration.

Article 18

Place of Arbitration

1. If the parties have not previously agreed on the place of arbitration, the place of arbitration shall be determined by the arbitral tribunal having regard to the circumstances of the case. The award shall be deemed to have been made at the place of arbitration.
2. The arbitral tribunal may meet at any location it considers appropriate for deliberations. Unless otherwise agreed by the parties, the arbitral tribunal may also meet at any location it considers appropriate for any other purpose, including hearings.

Article 19

Language

1. Subject to an agreement by the parties, the arbitral tribunal shall, promptly after its appointment, determine the language or languages to be used in the proceedings. This determination shall apply to the statement of claim, the statement of defence, and any further written statements and, if oral hearings take place, to the language or languages to be used in such hearings.
2. The arbitral tribunal may order that any documents annexed to the statement of claim or statement of defence, and any supplementary documents or exhibits submitted in the course of the proceedings, delivered in their original language, shall be accompanied by a translation into the language or languages agreed upon by the parties or determined by the arbitral tribunal.

Article 20

Statement of Claim

1. The claimant shall communicate its statement of claim in writing to the respondent and to each of the arbitrators within a period of time to be determined by the arbitral tribunal. The claimant may elect to treat its notice of arbitration referred to in article 3 as a statement of claim, provided that the notice of arbitration also complies with the requirements of paragraphs 2 to 4 of this article.

2. The statement of claim shall include the following particulars:
 - (a) The names and contact details of the parties;
 - (b) A statement of the facts supporting the claim;
 - (c) The points at issue;
 - (d) The relief or remedy sought;
 - (e) The legal grounds or arguments supporting the claim.
3. A copy of any contract or other legal instrument out of or in relation to which the dispute arises and of the arbitration agreement shall be annexed to the statement of claim.
4. The statement of claim shall, as far as possible, be accompanied by all documents and other evidence relied upon by the claimant, or contain references to them.

Article 21

Statement of Defence

1. The respondent shall communicate its statement of defence in writing to the claimant and to each of the arbitrators within a period of time to be determined by the arbitral tribunal. The respondent may elect to treat its response to the notice of arbitration referred to in article 4 as a statement of defence, provided that the response to the notice of arbitration also complies with the requirements of paragraph 2 of this article.

2. The statement of defence shall reply to the particulars (b) to (e) of the statement of claim (article 20, paragraph 2). The statement of defence shall, as far as possible, be accompanied by all documents and other evidence relied upon by the respondent, or contain references to them.
3. In its statement of defence, or at a later stage in the arbitral proceedings if the arbitral tribunal decides that the delay was justified under the circumstances, the respondent may make a counterclaim or rely on a claim for the purpose of a set-off provided that the arbitral tribunal has jurisdiction over it.
4. The provisions of article 20, paragraphs 2 to 4 shall apply to a counterclaim, a claim under article 4, paragraph (2) (f) and a claim relied on for the purpose of a set-off.

Article 22

Amendments to the Claim or Defence

During the course of the arbitral proceedings, a party may amend or supplement its claim or defence, including a counterclaim or a claim for the purpose of a set-off, unless the arbitral tribunal considers it inappropriate to allow such amendment or supplement having regard to the delay in making it or prejudice to other parties or any other circumstances. However, a claim or defence, including a counterclaim or a claim for the purpose of a set-off, may not be amended or supplemented in such a manner that the amended or supplemented claim or defence falls outside the jurisdiction of the arbitral tribunal.

Article 23

Pleas as to the Jurisdiction of the Arbitral Tribunal

1. The arbitral tribunal shall have the power to rule on its own jurisdiction, including any objections with respect to the existence or validity of the arbitration agreement. For that purpose, an arbitration clause that forms part of a contract shall be treated as an agreement independent of the other terms of the contract. A decision by the arbitral tribunal that the contract is null shall not entail automatically the invalidity of the arbitration clause.
2. A plea that the arbitral tribunal does not have jurisdiction shall be raised no later than in the statement of defence or, with respect to a counterclaim or a claim for the purpose of a set-off, in the reply to the counterclaim or to the claim for the purpose of a set-off. A party is not precluded from raising such a plea by the fact that it has appointed, or participated in the appointment of, an arbitrator. A plea that the arbitral tribunal is exceeding the scope of its authority shall be raised as soon as the matter alleged to be beyond the scope of its authority is raised during the arbitral proceedings. The arbitral tribunal may, in either case, admit a later plea if it considers the delay justified.
3. The arbitral tribunal may rule on a plea referred to in paragraph 2 either as a preliminary question or in an award on the merits. The arbitral tribunal may continue the arbitral proceedings and make an award, notwithstanding any pending challenge to its jurisdiction before a court.

Article 24

Further Written Statements

The arbitral tribunal shall decide which further written statements, in addition to the statement of claim and the statement of defence, shall be required from the parties or may be presented by them and shall fix the periods of time for communicating such statements.

Article 25

Periods of Time

The periods of time fixed by the arbitral tribunal for the communication of written statements (including the statement of claim and statement of defence) shall not exceed 45 days. However, the arbitral tribunal may extend the time limits if it concludes that an extension is justified.

Article 26

Interim Measures

1. The arbitral tribunal may, at the request of a party, grant interim measures.
2. An interim measure is any temporary measure by which, at any time prior to the issuance of the award by which the dispute is finally decided, the arbitral tribunal orders a party, for example and without limitation, to:
 - (a) Maintain or restore the status quo pending determination of the dispute;
 - (b) Take action that would prevent, or refrain from taking action that is likely to cause,

- (i) current or imminent harm or
 - (ii) prejudice to the arbitral process itself;
 - (c) Provide a means of preserving assets out of which a subsequent award may be satisfied; or
 - (d) Preserve evidence that may be relevant and material to the resolution of the dispute.
3. The party requesting an interim measure under paragraphs 2 (a) to (c) shall satisfy the arbitral tribunal that:
- (a) Harm not adequately reparable by an award of damages is likely to result if the measure is not ordered, and such harm substantially outweighs the harm that is likely to result to the party against whom the measure is directed if the measure is granted; and
 - (b) There is a reasonable possibility that the requesting party will succeed on the merits of the claim. The determination on this possibility shall not affect the discretion of the arbitral tribunal in making any subsequent determination.
4. With regard to a request for an interim measure under paragraph 2 (d), the requirements in paragraphs 3 (a) and (b) shall apply only to the extent the arbitral tribunal considers appropriate.
5. The arbitral tribunal may modify, suspend or terminate an interim measure it has granted, upon application of any party or, in exceptional circumstances and upon prior notice to the parties, on the arbitral tribunal's own initiative.

6. The arbitral tribunal may require the party requesting an interim measure to provide appropriate security in connection with the measure.
7. The arbitral tribunal may require any party promptly to disclose any material change in the circumstances on the basis of which the interim measure was requested or granted.
8. The party requesting an interim measure may be liable for any costs and damages caused by the measure to any party if the arbitral tribunal later determines that, in the circumstances then prevailing, the measure shall not have been granted. The arbitral tribunal may award such costs and damages at any point during the proceedings.
9. A request for interim measures addressed by any party to a judicial authority shall not be deemed incompatible with the agreement to arbitrate, or as a waiver of that agreement.

Article 27

Evidence

1. Each party shall have the burden of proving the facts relied on to support its claim or defence.
2. Witnesses, including expert witnesses, who are presented by the parties to testify to the arbitral tribunal on any issue of fact or expertise may be any individual, notwithstanding that the individual is a party to the arbitration or in any way related to a party. Unless otherwise directed by the arbitral tribunal, statements by witnesses, including expert witnesses, may be presented in writing and signed by them.

3. At any time during the arbitral proceedings the arbitral tribunal may require the parties to produce documents exhibits or other evidence within such a period of time as the arbitral tribunal shall determine.
4. The arbitral tribunal shall determine the admissibility, relevance, materiality and weight of the evidence offered.

Article 28

Hearings

1. In the event of an oral hearing, the arbitral tribunal shall give the parties adequate advance notice of the date, time and place thereof.
2. Witnesses, including expert witnesses, may be heard under the conditions and examined in the manner set by the arbitral tribunal.
3. Hearings shall be held in camera unless the parties agree otherwise. The arbitral tribunal may require the retirement of any witness or witnesses, including expert witnesses, during the testimony of such other witnesses, except that a witness, including an expert witness, who is a party to the arbitration shall not, in principle, be asked to retire.
4. The arbitral tribunal may direct that witnesses, including expert witnesses, be examined through means of telecommunication that do not require their physical presence at the hearing (such as video conferencing).

Article 29

Experts Appointed by the Arbitral Tribunal

1. After consultation with the parties, the arbitral tribunal may appoint one or more independent experts to report to it, in writing, on specific issues to be determined by the arbitral tribunal. A copy of the expert's terms of reference, established by the arbitral tribunal, shall be communicated to the parties.
2. The expert shall, in principle before accepting appointment, submit to the arbitral tribunal and to the parties a description of his or her qualifications and a statement of his or her impartiality and independence. Within the time ordered by the arbitral tribunal, the parties shall inform the arbitral tribunal whether they have any objections as to the expert's qualifications, impartiality or independence. The arbitral tribunal shall decide promptly whether to accept any such objections. After an expert's appointment, a party may object to the expert's qualifications, impartiality or independence only if the objection is for reasons of which the party becomes aware after the appointment has been made. The arbitral tribunal shall decide promptly what, if any, action to take.
3. The parties shall give the expert any relevant information or produce for his or her inspection any relevant documents or goods that he or she may require of them. Any dispute between a party and such expert as to the relevance of the required information or production shall be referred to the arbitral tribunal for decision.
4. Upon receipt of the expert's report, the arbitral tribunal shall communicate a copy of the report to the parties, which shall be given the opportunity to express, in

writing, their opinion on the report. A party shall be entitled to examine any document on which the expert has relied in his or her report.

5. At the request of any party, the expert, after delivery of the report, may be heard at a hearing where the parties shall have the opportunity to be present and to interrogate the expert. At this hearing, any party may present expert witnesses in order to testify on the points at issue. The provisions of article 28 shall be applicable to such proceedings.

Article 30

Default

1. If, within the period of time fixed by these Rules or the arbitral tribunal, without showing sufficient cause:
 - (a) The claimant has failed to communicate its statement of claim, the arbitral tribunal shall issue an order for the termination of the arbitral proceedings, unless there are remaining matters that may need to be decided and the arbitral tribunal considers it appropriate to do so;
 - (b) The respondent has failed to communicate its response to the notice of arbitration or its statement of defence, the arbitral tribunal shall order that the proceedings continue, without treating such failure in itself as an admission of the claimant's allegations; the provisions of this subparagraph also apply to a claimant's failure to submit a defence to a counterclaim or to a claim for the purpose of a set-off.

2. If a party, duly notified under these Rules, fails to appear at a hearing, without showing sufficient cause for such failure, the arbitral tribunal may proceed with the arbitration.
3. If a party, duly invited by the arbitral tribunal to produce documents, exhibits or other evidence, fails to do so within the established period of time, without showing sufficient cause for such failure, the arbitral tribunal may make the award on the evidence before it.

Article 31

Closure of Hearings

1. The arbitral tribunal may enquire of the parties if they have any further proof to offer or witnesses to be heard or submissions to make and, if there are none, it may declare the hearings closed.
2. The arbitral tribunal may, if it considers it necessary owing to exceptional circumstances, decide, on its own initiative or upon application of a party, to reopen the hearings at any time before the award is made.

Article 32

Waiver of Right to Object

A failure by any party to object promptly to any non-compliance with these Rules or with any requirement of the arbitration agreement shall be deemed to be a waiver of the right of such party to make such an objection, unless such party can show that, under the circumstances, its failure to object was justified.

Section IV

THE AWARD

Article 33

Decisions

1. When there is more than one arbitrator, any award or other decision of the arbitral tribunal shall be made by a majority of the arbitrators.
2. In the case of questions of procedure, when there is no majority or when the arbitral tribunal so authorises, the presiding arbitrator may decide alone, subject to revision, if any, by the arbitral tribunal.

Article 34

Form and Effect of the Award

1. The arbitral tribunal may make separate awards on different issues at different times.
2. All awards shall be made in writing and shall be final and binding on the parties. The parties shall carry out all awards without delay.
3. The arbitral tribunal shall state the reasons upon which the award is based, unless the parties have agreed that no reasons are to be given.
4. An award shall be signed by the arbitrators and it shall contain the date on which the award was made and indicate the place of arbitration. Where there is more than one arbitrator and any of them fails to sign, the award shall state the reason for the absence of the signature.

5. An award may be made public with the consent of all parties or where and to the extent disclosure is required of a party by legal duty, to protect or pursue a legal right or in relation to legal proceedings before a court or other competent authority.
6. Copies of the award signed by the arbitrators shall be communicated to the parties by the arbitral tribunal.

Article 35

Applicable Law, Amiable Compositeur

1. The arbitral tribunal shall apply the rules of law designated by the parties as applicable to the substance of the dispute. Failing such designation by the parties, the arbitral tribunal shall apply the law which it determines to be appropriate.
2. The arbitral tribunal shall decide as amiable compositeur or ex aequo et bono only if the parties have expressly authorised the arbitral tribunal to do so.
3. In all cases, the arbitral tribunal shall decide in accordance with the terms of the contract, if any, and shall take into account any usage of trade applicable to the transaction.

Article 36

Settlement or Other Grounds for Termination

1. If, before the award is made, the parties agree on a settlement of the dispute, the arbitral tribunal shall either issue an order for the termination of the arbitral proceedings or, if requested by the parties and

accepted by the arbitral tribunal, record the settlement in the form of an arbitral award on agreed terms. The arbitral tribunal is not obliged to give reasons for such an award.

2. If, before the award is made, the continuation of the arbitral proceedings becomes unnecessary or impossible for any reason not mentioned in paragraph 1, the arbitral tribunal shall inform the parties of its intention to issue an order for the termination of the proceedings. The arbitral tribunal shall have the power to issue such an order unless there are remaining matters that may need to be decided and the arbitral tribunal considers it appropriate to do so.
3. Copies of the order for termination of the arbitral proceedings or of the arbitral award on agreed terms, signed by the arbitrators, shall be communicated by the arbitral tribunal to the parties. Where an arbitral award on agreed terms is made, the provisions of article 34, paragraphs 2, 4 and 5 shall apply.

Article 37

Interpretation of the Award

1. Within 30 days after the receipt of the award, a party, with notice to the other parties, may request that the arbitral tribunal give an interpretation of the award.
2. The interpretation shall be given in writing within 45 days after the receipt of the request. The interpretation shall form part of the award and the provisions of article 34, paragraphs 2 to 6, shall apply.

Article 38

Correction of the Award

1. Within 30 days after the receipt of the award, a party, with notice to the other parties, may request the arbitral tribunal to correct in the award any error in computation, any clerical or typographical error, or any error or omission of a similar nature. If the arbitral tribunal considers that the request is justified, it shall make the correction within 45 days of receipt of the request.
2. The arbitral tribunal may within 30 days after the communication of the award make such corrections on its own initiative.
3. Such corrections shall be in writing and shall form part of the award. The provisions of article 34, paragraphs 2 to 6, shall apply.

Article 39

Additional Award

1. Within 30 days after the receipt of the termination order or the award, a party, with notice to the other parties, may request the arbitral tribunal to make an award or an additional award as to claims presented in the arbitral proceedings but not decided by the arbitral tribunal.
2. If the arbitral tribunal considers the request for an award or additional award to be justified, it shall render or complete its award within 60 days after the receipt of the request. The arbitral tribunal may extend, if necessary, the period of time within which it shall make the award.

3. When such an award or additional award is made, the provisions of article 34, paragraph 2 to 6, shall apply.

Article 40

Definition of Costs

1. The arbitral tribunal shall fix the costs of arbitration in the final award and, if it deems appropriate, in another decision.
2. The term “costs” includes only:
 - (a) The fees of the arbitral tribunal to be stated separately as to each arbitrator and to be fixed by the tribunal itself in accordance with article 41;
 - (b) The reasonable travel and other expenses incurred by the arbitrators;
 - (c) The reasonable costs of expert advice and of other assistance required by the arbitral tribunal;
 - (d) The reasonable travel and other expenses of witnesses to the extent such expenses are approved by the arbitral tribunal;
 - (e) The legal and other costs incurred by the parties in relation to the arbitration to the extent that the arbitral tribunal determines that the amount of such costs is reasonable;
 - (f) Any fees and expenses of the appointing authority as well as the fees and expenses of the Secretary-General of the PCA.

3. In relation to interpretation, correction or completion of any award under articles 37 to 39, the arbitral tribunal may charge the costs referred to in paragraphs 2 (b) to (f), but no additional fees.

Article 41

Fees and Expenses of Arbitrators

1. The fees and expenses of the arbitrators shall be reasonable in amount, taking into account the amount in dispute, the complexity of the subject matter, the time spent by the arbitrators and any other relevant circumstances of the case.
2. If there is an appointing authority and it applies or has stated that it will apply a schedule or particular method for determining the fees for arbitrators in international cases, the arbitral tribunal in fixing its fees shall take that schedule or method into account to the extent that it considers appropriate in the circumstances of the case.
3. Promptly after its constitution, the arbitral tribunal shall inform the parties as to how it proposes to determine its fees and expenses, including any rates it intends to apply. Within 15 days of receiving that proposal, any party may refer the proposal to the appointing authority for review. If, within 45 days of receipt of such a referral, the appointing authority finds that the proposal of the arbitral tribunal is inconsistent with paragraph 1, it shall make any necessary adjustments thereto, which shall be binding upon the arbitral tribunal.

4.
 - (a) When informing the parties of the arbitrators' fees and expenses that have been fixed pursuant to article 40, paragraphs 2 (a) and (b), the arbitral tribunal shall also explain the manner in which the corresponding amounts have been calculated.
 - (b) Within 15 days of receiving the arbitral tribunal's determination of fees and expenses, any party may refer for review such determination to the appointing authority. If no appointing authority has been agreed upon or designated, or if the appointing authority fails to act within the time specified in these Rules, then the review shall be made by the Secretary-General of the PCA.
 - (c) If the appointing authority or the Secretary-General of the PCA finds that the arbitral tribunal's determination is inconsistent with the arbitral tribunal's proposal (and any adjustment thereto) under paragraph 3 or is otherwise manifestly excessive, it shall, within 45 days of receiving such a referral, make any adjustments to the arbitral tribunal's determination that are necessary to satisfy the criteria in paragraph 1. Any such adjustments shall be binding upon the arbitral tribunal.
 - (d) Any such adjustments shall either be included by the arbitral tribunal in its award or, if the award has already been issued, be implemented in a correction to the award, to which the procedure of article 38, paragraph 3 shall apply.
5. Throughout the procedure under paragraphs 3 and 4, the arbitral tribunal shall proceed with the arbitration, in accordance with article 17, paragraph 1.

6. A referral under paragraph 4 shall not affect any determination in the award other than the arbitral tribunal's fees and expenses; nor shall it delay the recognition and enforcement of all parts of the award other than those relating to the determination of the arbitral tribunal's fees and expenses.

Article 42

Allocation of Costs

1. The costs of the arbitration shall in principle be borne by the unsuccessful party or parties. However, the arbitral tribunal may apportion each of such costs between the parties if it determines that apportionment is reasonable, taking into account the circumstances of the case.
2. The arbitral tribunal shall in the final award or, if it deems appropriate, in any other award, determine any amount that a party may have to pay to another party as a result of the decision on allocation of costs.

Article 43

Deposit of Costs

1. The arbitral tribunal, on its establishment, may request the parties to deposit an equal amount as an advance for the costs referred to in article 40, paragraphs 2 (a) to (c).
2. During the course of the arbitral proceedings the arbitral tribunal may request supplementary deposits from the parties.

3. If an appointing authority has been agreed upon or designated, and when a party so requests and the appointing authority consents to perform the function, the arbitral tribunal shall fix the amounts of any deposits or supplementary deposits only after consultation with the appointing authority, which may make any comments to the arbitral tribunal that it deems appropriate concerning the amount of such deposits and supplementary deposits.
4. If the required deposits are not paid in full within 30 days after the receipt of the request, the arbitral tribunal shall so inform the parties in order that one or more of them may make the required payment. If such payment is not made, the arbitral tribunal may order the suspension or termination of the arbitral proceedings.
5. After a termination order or final award has been made, the arbitral tribunal shall render an accounting to the parties of the deposits received and return any unexpended balance to the parties.
